Competitive Events (AISYWC'17)

27th - 29th September 2017

Overview

- A total of 6 competitive events have been lined up for AISYWC 17.
- For every event the top 3 teams/delegates will receive exciting prizes along with certificates.
- At the end of the three days extravaganza, the VIBRANT SECTION OF THE YEAR AWARD will be presented to one of the IEEE sections. For each competitive event, points will be awarded to all the regions according to the final standings at the end of each event. The top three teams will get the highest points. Points will also be given based on the no. of participants from each section in each event. The section with the maximum points at the end will receive VIBRANT SECTION OF THE YEAR AWARD.

1. Quizzero 2.0

The following are the guidelines regarding Quizzero 2.0, the quizzing event of AISYWC 17.

ELIGIBILITY

- All the registered delegates of AISYWC 2017 are eligible for participation in the competition.
- Delegates can participate in teams of 2.
- Registration for this event can be done by filling up this [form](#).
- On Spot Registration will also be taken on the day of the event.

RULES

- The questions asked in the quiz contest will cover a wide range of topics. These include new advancements in technology (especially General Science and Technology, including Computer Science, Electronics, IOT, Startups, Electrical, Mechanical, Civil, etc.) Trivia from these fields will also be asked.
- The contest will consist of two rounds.
- First round will be pen and paper test, which will consist of 30 questions. Out of those 30, 20 will be MCQs and 10 will be one word answer type questions.
- Marking for MCQs will be +3/-1. Marking for single word type question will be +5.
- First round will be conducted for a total of 30 minutes.
- Usage of any electronic device is strictly prohibited. Failure in compliance of the aforementioned rule will result in immediate disqualification.
- Soliciting help of anyone except one's own team member will also result in immediate disqualification.
- Top 8 teams will be selected for the second round. Second round will be an on-stage round, rules of which will be announced then and there itself by the quizmaster.
- There will be questions and prizes for the audience too.

2. Technical Poster Presentation

The following are the guidelines regarding the technical poster presentation competition.

ELIGIBILITY

- All the registered delegates of AISYWC 2017 are eligible for participation in the competition.
- All posters must be original work, prepared by the applicant(s).
- Each IEEE section can have a maximum of 3 teams participating in the event.
- Each team can have a maximum of 3 members.
- Registration for this event can be done by filling up this [form](#).

RULES

- The posters shall be based on the theme of this year's AISYWC, Imagine Engineer Enlighten Empower.
- All illustrations, charts, etc., to be posted should be prepared in advance as materials for these purposes will not be available at the meeting site.
- No digital posters are allowed. If you wish to present a digital poster, it should be printed and then presented.
- There is no limitation on how many colors can be used on the poster.
- All mediums can be used (markers, crayons, pastels, paint, print etc.).
- Original photography, magazine clippings, stencils, buttons; glue-ons may be utilized on the poster.
